“Debbi is so pure in her energies and insights. I felt such love and compassion from her. I stopped seeing mediums years ago as I could feel the ‘offness’ of their readings.... so it was quite wonderful to have a reading of such high caliber... she said so many things that were all so profound... it was all so healing and reaffirming.’ BJM, Prescott, AZ

‘I felt like I was having a heart-to-heart talk with my guardian angel.’ Jonel B.

‘I don’t know how to thank you properly. It was such a blessing to be able to work with you and to have the release I did and that I continue to experience. I can tell you I already understand that I have cleared something big and it will allow so more of my work to flow freely into this world.’ with heart-felt gratitude, Eric R.

‘The session that we had was so incredibly transformative... my whole body is different. Thank you.’ Sally O.

‘Our session was a powerful experience for me as we went over the rainbow where unity, oneness and light exist...our time made oneness a real place for me. Thank you for taking me by the hand to a place where I can serve the world.’ Scott E.
