Mahatma Reiki is a gentle yet powerful energy that treats and empowers the whole person: body, mind, emotions & spirit; releasing blocks at the causal level of disease. It induces deep relaxation and feelings of peace, security & well-being. People trained in this healing art report a greater access to and integration of themselves on a Soul level and profound shifts in their spiritual development.

I am often asked about the difference between Usui & Mahatma Reiki. I experience Mahatma Reiki as pure light (transcendent) & Usui Reiki as life force energy (grounding). The difference is in the radiance of the energy of the symbols and the origin of the system. Mahatma Reiki has an Egyptian and Goddess influence. There are nine symbols total and one more level of training, Reiki 3, after this class.

Class is taught by Debbi Brown, a Reiki Master-Teacher of four lineages: Usui, Mahatma, Karuna and Violet Flame as well as a Healing Touch Therapist who works closely with the Angelic realm. Debbi has over twenty five years in the healing arts and spirituality studies with many elders and gifted, experienced healers.

“The Mahatma Reiki is everything my spirits been wanting. It bypasses my ego completely. Healing sessions with others & on myself are steady and stronger. I can't thank you enough for passing along this wonderful gift.” --- Rick B.

“I have to tell you how much I love the Mahatma Reiki energy. The energy is so beautiful and gentle, yet strong. I really resonate with the symbols and feel a personal connection to them. Wow!” --- Leslie G.
