

## *Passage of the Sacred Munay-Ki Rites*

*‘Munay’ means “I love you” or Unconditional love*

In a small group setting you will receive personal mentoring with Debbi for these sacred South American rites. You will receive each of the beautiful Munay-Ki rites, the nine great rites of initiation of the medicine way, and learn how to transmit each of the nine rites. We will share ceremony and medicine teachings together and learn about the sacred animal archetypes. The Munay-Ki are the nine gateways that heal us, the wounds of the past – our karmic and genetic inheritance - and transform our human energy field into that of ‘homo luminous’. The nine rites initiate you as a person of wisdom and power who has accepted stewardship for all creation.

For years the prophecies of the ancient Americas have spoken about the possibility of a new human appearing on the planet – one who lives free of fear and resides in his or her transcendent nature. The Munay-Ki are the luminous codes for the new human. They are delivered in the form of energetic transmissions. The Rites are a profound blessing to receive and share.
